

1. *Some* credit may be given back for corrections to conceptual mistakes only.
2. No grade will be raised above a C as a result of corrections.
3. This is not an option for every assessment.

In the table below identify the problem number, the type of mistake, conceptual or computational, explain what you did wrong and correct your answer.

Problem #	computational/ conceptual	Explain what you did wrong.	Correct solution.
